Subjects and Functions of the Ministry of Finance

Providing policy guidance to relevant State Ministries, and formulating policies in relation to the subject of Finance, in conformity with the prescribed Laws, Acts and Ordinances, implementation of projects under the national budget, state Investment and National Development Programme, and formulating, implementing, monitoring and evaluating policies, programmes and projects, related to subjects and functions under below-mentioned Departments, State Corporations and Statutory Institutions for the creation of a "People Centric Economy" based on the national policies implemented by the Government, and in line with the policy statement "Vistas of Prosperity and Splendour".

Responsibilities of the Ministry of Finance

- Formulation of policies and programs, monitoring and evaluation in regard to the subjects of finance and taxation and those subjects that come under the purview of Departments, Statutory Institutions and Public Corporations.
- Macro financial management and formulation of policies for public finance.
- Management of financial resources and preparation of annual budget.
- Enforcement of budgetary and financial control and execution of the national budget.
- Productive use of Government revenue and management of national tax policies.
- Enforcement of Government Financial Regulations
- Management of the Consolidated Fund
- Overall supervision of revenue agencies
- Public expenditure management
- Advisory services on Government procurement
- Overseeing departmental and other public funds
- Maintenance of Treasury Minutes on reports of the Public Accounts Committee
- Formulation of guidelines for the promotion of management audit in the departments
- Cadre management
- Matters relating to all other subjects assigned to Institutions
- Supervision of the Institutions

(b)

i. **Powers, functions and duties of the officers and employees and relevant procedures followed by them in arriving at decisions.**

- Assistance in taking policy decisions and formulation and issuance of relevant regulations, Acts and instructions.

ii. **Standards for discharging duties, delivering functions and executing powers**

- Relevant provisions of the Constitution of the Democratic Socialist Republic of Sri Lanka
- Standing Orders of the Parliament and decisions of the Cabinet of Ministers
- Decisions of the Committee on Public Accounts
- Acts and regulations pertaining to departments and institutions under the purview of the Ministry of Finance.

iii. **Laws, regulations, instructions, hand books and other types of reports used by the officers and employees in discharging duties, delivering functions and executing powers.**

- Standing Orders of Parliament
- Finance Act
- Fiscal Management (Responsibility) Act

iv. **Particulars on facilities available for citizens in obtaining information**

- Citizens can forward requests for information any way in compliance to the Act.
- General information and reports relevant to the Ministry will be published in the Official Website of the Ministry.

v. **Budget allocated for each proposed institutions showing all the plans, proposed expenditure and reports, in reimbursement of funds.**

- Money has been allocated as per the Annual Budget Estimate.

Annexure 08
