- 4. What are your suggestions for improvement, if this workshop is to be implemented again?
  - More information on procurement procedure
  - If any regulation implement before that, please update subsidiaries then only we can follow that correctly.
  - By presenting practical experiences
  - Assign more time to give understanding of the current legal aspects, company acts and audit standards
  - Have a program for each subject
  - Directors also should be train in good governance and PED circulars
  - More discussion on competitive framework and governance framework
  - To bring out more practical examples and cases in order to communicate the message clearly & precisely to the audience
  - Regular sessions covering similar aspects
- 5. What are your suggestions for follow up activities, including suggestions for organizing similar and related program(s)?
  - There want be a communication method to be implemented if any laws & regulations issued to update subsidiary companies.
  - Expect a proper communication of updates and changes
  - If would be much useful if this kind of programs are arranged on regular basis specially when new acts , rules / regulations are imposed.
  - Expect regular programs like this
  - Need periodic reviews and follow ups
  - Introduce a contact person for each area for relevant subject matter
  - Have progress meetings with one to one organizations in the ministry
- 6. Other comments and suggestions
  - Asked soft copies of all the presentations <u>ceo.nsbfmc@nsb.lk</u> (NSB fund Mgt Co. LTd)
  - Invite next level managers as well (the implementers)
  - When the BOD change, its good to continue
  - Overall good program
  - These awareness workshops should be held in 6/3 months
