participation within the cost ceiling can be under taken.)	conversion of a temporary house to a permanent house with the community		

- 03. For 2019, Rs. 300 Mn will be allocated for each electorate. However, during the first four months of the year 2019, Rs. 200 Mn will be allocated to each electorate through the Vote on Account and the balance Rs. 100 Mn will be considered under the 2019 budget. Hence, you are kindly requested to select the projects accordingly.
- 04. Following guidelines are issued to be adopted by the District Secretaries and the Divisional Secretaries in implementing this programme;
 - (a). The *Gamperaliya* programme should be implemented by the Divisional Secretaries in coordination with the District Secretaries.
 - (b). A District Committee to be established under your purview to channel all the project proposals which will be received from the Divisional Secretaries. The District Secretaries should identify the projects based on priority needs of each Divisional Secretariat, while ensuring maximum benefit to the people.
 - (c). District Secretaries should pay attention to the following factors when selecting the projects given the broader areas of work mentioned in the Table on page 1: community interest and acceptance; focus on poverty alleviation, production and income improvement; optimum use of available resources in the area; sustainability of the project; participation of local communities.
 - (d). Once the project list is recommended by District Secretaries the same should be submitted to the *Gamperaliya* Secretariat which is be located at the Ministry of Finance and Mass Media for approval.
 - (e). The *Gamperaliya* Secretariat will ensure that the total list of projects under each development area should not exceed the numbers given in the Table on page 1.
 - (f). District Secretaries and Divisional Secretaries should ensure the completion of projects prior to 31.08.2019.
 - (g). The cost of all projects as identified in the Table on page 1 should be subject to the engineering estimates. However, the final estimated cost should not exceed the 'cost ceiling' as indicted in the said Table. Each District Secretary should coordinate with Divisional Secretaries and Technical level staff to prepare cost estimates for each project. The technical service should be obtained from District Secretariats, Divisional Secretariats, Provincial Department of Irrigation, Department of Irrigation, Department of Agrarian Development, and Ministry of Mahaweli Development and Environment etc. If required, the services of retired Technical officers/ Engineers should also be obtained.

- (h). All the contracts should be executed in terms of the Government's Procurement Guidelines. In this regard your attention is drawn to the Supplement 34 issued by the Director General Public Finance dated 09.07.2018 and Public Finance Circular No. 01/2012 dated 05.01.2012.
- (i). An amount not exceeding 3 percent of the total cost estimate should be provided to cover administrative cost of the projects for both District Secretariats and Divisional Secretariats. Such administrative expenses should include fuel, overtime payments, other allowances, stationary etc. However, the administrative cost should be incorporated into the final project cost, so that the cost ceiling given for each project should not be exceeded.
- (j). The monitoring and evaluation of the program should be carried out by the *Gamperaliya* Secretariat established under the Ministry of Finance and Mass Media. District Secretaries and Divisional Secretaries should establish a monitoring system in District and Divisional level to review and report the progress to the Project Director (PD) of the *Gamperaliya* Secretariat.
- (k). District Secretaries should conduct progress review meeting with Divisional Secretaries and report back to the PD before the 10th of the following month. District Secretaries should initiate appropriate corrective actions immediately in case of any deviations, as reported by Divisional Secretaries, in consultation with the PD.
- (l). Name board (size of 4′ X 2.5′) should be prepared according to the design provided and should be fixed with two steel bars (GI pipes) at the commencement of each project. A cost of a name board should not exceed Rs. 6,000 and it should be included in the cost estimate of the project.
- (m). The budgetary provision for the *Gamperaliya* programme should be channeled through the Ministry of National Policies, Economic Affairs, Resettlement & Rehabilitation, Northern Province Development, Vocational Training & Skills Development and Youth Affairs to the District Secretaries, by the Department of National Budget. District Secretaries should request funds from the Department of Treasury Operations based on the implementing progress of projects. The PD should facilitate release of funds.
- (n). District Secretaries and Divisional Secretaries should ensure that all the payments relating to the *Gampraliya* Programme be settled on or before 30.09.2019 in consultation with Director General, Department of Treasury Operations.

(o). Each District Secretariat and Divisional Secretariat should ensure that the intended outcomes are achieved at every stage of project implementation. If deviations/delays/shortcomings etc., were to arise, Divisional Secretariats should immediately inform the District Secretariat, and onward communication be made the PD accordingly for appropriate guidance and directions.

Please bring the content of this circular to the notice of all Divisional Secretaries for immediate action.
