**Purchasing of Fuel from Filling Stations Managed by
the Multi Purpose Co –Operative Societies on Credit Basis**

It is hereby informed that the system of supplying fuel from the filling stations managed by the Multi Purpose Co - operative Societies to the Government Institutions on credit basis is suspended with immediate effect. The Government Institutions hereafter, should purchase their fuel requirements from such filling stations managed by the Multi Purpose Co - operative Societies up to the ceiling of deposits made by them with the respective Co - operative Society. Otherwise they should purchase fuel only by paying cash.

02. In purchasing fuel, the government agencies should give the priority to the filling stations operated by the Multi Purpose Co - operative Societies as it is expected to minimize the liquidity issues of the Co - operative Societies through the above procedure.
