Financial Performance of Commercial Public Enterprises – 2005

We have published a handbook on Financial Performance of Commercial Public Enterprises for the year 2005.

This handbook contains one page report of all the Commercial Public Enterprises indicating mission, major activities and performance trend for the last three years and our brief comments on financial performance for the year 2005 including actual and budgeted values obtained from the respective institutions and comments on aggregate performance supported by tables showing sector wise analysis for the consecutive years 2004 and 2005 respectively.

A copy of this handbook is forwarded herewith for your review and to make suggestions for improvement in the future.

V. Kanagasabapathy
Director General of Public Enterprises
