All Secretaries to the Ministries,

Nominating Members for Cabinet Appointed Procurement and Supporting Committees

The Department of Public Finance is currently maintaining a database for appointment of Cabinet Approved Procurement Committees (Cabinet Appointed Procurement Committees, Cabinet Appointed Negotiating Committees, Cabinet Appointed Consultancy Procurement Committees, Standing Cabinet Appointed Procurement Committees, etc) and the committees to assist these cabinet level committees (Technical Evaluation Committees/ Project Committees). This has helped streamline such appointments and also to provide a basis for selection of officers based on the nature of those procurements.

02. However, this effort has been hindered by the non-availability of the National Identity Card (NIC) Number of the officers, which is the only reliable and unique identification number to recognize each member serving on these committees.

03. Therefore, you are kindly requested to furnish us the NIC numbers of officers who are currently serving on those committees and also the officers to be nominated in future, in addition to the details requested in the Supplement 8 to the National Procurement Manual dated 2006-10-11 (Name, Designation, Area of Specialty, Address, Phone, Fax, and E-mail).

P. Algama

Director General
