In accordance with the Section 47(2) of the Public Financial Management Act No.44 of 2024, the budgetary entities shall prepare and submit to the Auditor-General annual financial statement and information in the manner and with the frequency and detail as specified in relevant written laws.

Further, as per the Section 15 of the National Audit Act No. 19 of 2018, the Secretary to the Treasury should submit the Financial Statements of the Government to the Auditor General not later than three (03) months after closing of each financial year. The Auditor General audits the Financial Statements of the Government by verifying the details of the Financial Statements prepared for each Expenditure Head. For this purpose, as specified by Section 16(2) of the National Audit Act, all the Expenditure Heads for which funds are being allocated by the annual Appropriation Act shall require to submit their Annual Financial Statements (including Annual Appropriation Account, Revenue Account and the accounts relating to Advance Account activities) to the Auditor General. It is compulsory to submit the relevant Financial Statements to the Auditor General, providing sufficient period for performing the audit. Therefore, the following procedure will be implemented for the closing of accounts for the financial year 2025 enabling to present the Annual Financial Statements of all Expenditure Heads for the year 2025 to the Auditor General by 28<sup>th</sup> February 2026.

Accordingly, the provisions of this guideline are also applicable to the funds issued by the Treasury under the imprest accounts allocated for the Provincial Councils.
