Management Services Circular No: 01/2019

Secretaries of Ministries

Chief Secretaries of Provincial Councils

Heads of Departments

Chairmen of Public Corporations, Statutory Boards and Fully Government Owned Companies

Cadre and Remuneration Management of Projects

This circular provides broad procedural and implementation guidelines with regard to the cadre and remuneration management of a project. This circular is deemed effective from 01.02.2019. With the implementation of this circular, the Management Services Circulars No. 01/2016 dated 24.03.2016 and 01/2016(i) dated 16.12.2016 will be rescinded.

For the purpose of this circular, a "Project" shall mean a planned set of interrelated tasks to be executed over a fixed period of time and within certain costs and other limitations to achieve a particular objective/s. The cost stipulated in the approval of the Cabinet of Ministers for the Project is considered as the total cost of the project.

I. Applicability of this circular and procedures to be followed.

1.1 Every project proposal should be appraised by the Department of National Planning and then the approval of the Cabinet of Ministers should be obtained. Afterwards, initial clearances from the following departments should be obtained.

Funding (foreign funded projects only)- Department of External Resources

Budgetary Provisions - Department of National Budget

Creation of Cadre - Department of Management Services

1.2 The duration of the Project should be more than one (01) year.

1.3 If the project is funded by foreign financing, whether by way of loan or grant, the following should be ensured.

- (a) The foreign funding component of the project should not be less than 60% of the total project cost. (The cost of foreign consultancy should not be more than 10% of foreign funds.)
- (b) The local funding component of the project should not exceed 40% of the total project cost, excluding the amount on account of local taxes, duties and land acquisition.
- (c) There should have an agreement executed between the Government of Sri Lanka and the relevant funding agency with regard to the project, facilitated by the Department of External Resources with a specific name assigned to the project for purposes of easy identification. The project name should reflect a local identity falling within the national policy.
- (d) The total cost of the project should not be less than US\$ 5.0 million.

1.4 If the project is funded by domestic financing, the total cost of the project should not be less than US\$ 5.0 million or equivalent to LKR.

1.5 If the total project cost is less than US\$ 5.0 million, an additional project cadre shall not be approved and the activities of such projects should be managed within the existing cadre approved for the Implementing Agency.

2. Cadre Management

2.1 Identification of required cadre

2.1.1 No additional personnel should be recruited for any project of which, the activities can be carried out by deploying the existing staff of the relevant Government Institutions. The Department of Management Services will consider granting approval for the cadre for the Project Management Unit and/or

Project Implementation Unit, where it is essential to recruit a separate cadre to carry out the project activities.

- 2.1.2 The entire staff requirement of a project and the period of service required from those staffs etc, should be decided at the preparation / fact finding / pre-appraisal stage of a project by the relevant Line Ministry/ Provincial Council in consultation with the Department of External Resources, Department of Management Services and the related Donor Agency. Such information should be included in the related Project Appraisal Document/ Project Appraisal Manual.

2.2 Recruitment of the Project Staff

- 2.2.1 To ensure smooth and timely implementation of a project, an identified team consisting of Project Director and other staff subject to Paragraph 2.1.1 may be appointed / recruited prior to the signing of the Loan / Grant Agreement, if the approval has been granted by the Cabinet of Ministers for the project, in respect of foreign funded projects and immediately after the approval of the Cabinet of Ministers in respect of local funded projects, as the case may be.
- 2.2.2 Project Director and the other essential staff for projects assisted through foreign financing may function before the Loan Agreement is signed, in order to undertake preparatory activities. In the case of local funded projects, the Project Directors and the other essential staff may function soon after the budgetary provisions are approved. The period of service required from each position of the project staff shall be determined at the stage of project appraisal with the concurrence of the Department of Management Services.
- 2.2.3 The relevant Line Ministry/ Provincial Council should take necessary actions to make budgetary provisions to meet the expenditure in respect of project staff.
- 2.2.4 Appointments to all the posts including the post of Project Director and other staff shall be made only after calling applications through a public advertisement or a newspaper advertisement having allocated sufficient time, followed by a structured interview for each and every project.

2.2.5 The composition of the Interview Panels is given in Table 01.
