**Annual Reports and Accounts for the year 2006**

It has been observed that the Annual Reports and Accounts for the year 2006 has still not been submitted to this Department by several enterprises.

In this connection your attention is drawn to Section 6.5.3 of the Public Enterprises Guidelines for Good Governance, according to which the Final Audited Accounts together with the Auditor's Report in all three languages should be tabled in Parliament within 150 days after the close of the financial year.

I would appreciate if Annual Reports and Accounts for the year 2006 is finalized and forwarded to this Department without any further delay while taking immediate action to table it in Parliament.
