01. The Department

The Department of Public Finance plays a central role in public sector Governance and has a responsibility for a sound public finance regulatory framework which improves transparency, accountability and service delivery in the public sector. The department works with other government institutions to enhance the management of public resources in pursuit of growth, development and poverty reduction, while aiming to strengthen transparency and accountability.

The Department also seeks to strengthen the broader governance environment within which the public sector operates, supporting institutions for public accountability, such as parliaments, tracking improvements by measures of the rule of law, state legitimacy and trust in government institutions by reducing the risk of corruption and conflict of interest in public affairs in order to achieve sustainable economic growth and development.

In carrying out these responsibilities the Department of Public Finance provides a range of regulatory and advisory services on Public Finance for public sector institutions.

1.1 Vision, Mission and Objectives of Department of Public Finance

(a) Vision:

Create a sound Public Finance regulatory framework to improve transparency, accountability and service delivery in the Public Sector.

(b) Mission:

Formulate, develop, review, update and follow up the systems and procedures in the Public Financial Management in order to strengthening broader governance environment within which public sector operates supporting institutions for public accountability.

(c) Objectives:

- (i) Formulate, develop, review, update and follow up the policies, systems and procedures in Public Financial Management to give maximum accountability and transparency.
- (ii) Promote public sector governance and assist the Parliamentary Committee on Public Accounts (COPA) to ensure effective and efficient utilization of public financial resources.
- (iii) Review and monitor effective use of existing departmental fees and charges and explores the possibility of generating non-tax revenue in cost effective manner
- (iv) Regularize, review and monitor the Ministerial / Departmental funds to ensure effective and efficient utilization of public funds.

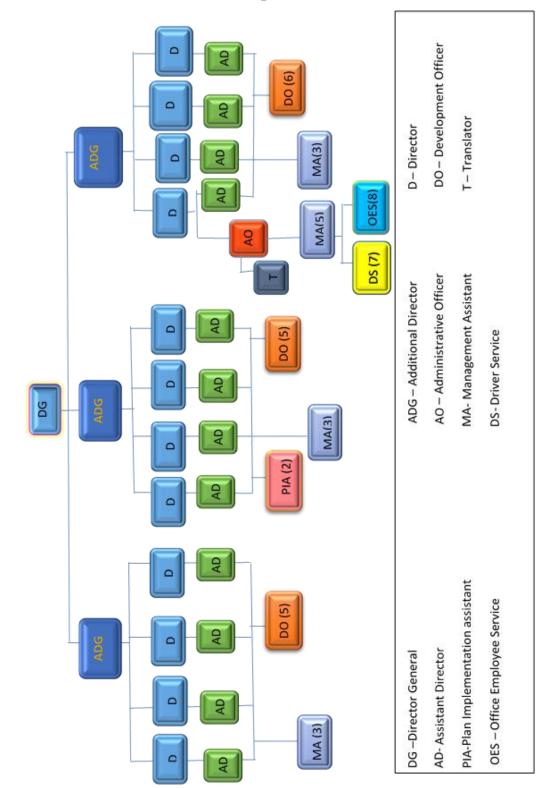

(d) Functions and Responsibilities of the Department
