Annual Reports and Accounts of Public Enterprises

Further to the Public Enterprises Circular No. PED/14 on the submission of Annual Reports and Accounts to the Parliament.

It has been brought to my notice that the annual reports and accounts have been forwarded to Secretary General of Parliament without getting the approval of the Cabinet of Ministers and that these reports have to be kept in the Parliament until they are approved by the Cabinet of Ministers. In view of the inadequate storage facilities to keep them securely, the Secretary General of Parliament has requested me to inform the Ministries concerned to keep the reports with them until they are approved by the Cabinet of Ministers.

You are therefore, requested to send only a copy of the annual reports and accounts to the Secretary General of Parliament at the time of submitting the same to the Cabinet Sub-Committee on Establishment Matters. Once the Cabinet approval is obtained the annual reports and accounts could be forwarded, with a covering letter signed by your Minister, requesting the annual reports be tabled in Parliament.
