In terms of the provisions of paragraph 3 of Article 150 of the Constitution of the Democratic Socialist Republic of Sri Lanka His Excellency the President has authorized to incur expenditure from the Consolidated Fund for the uninterrupted continuation of Public services and development activities for a period of three months from 01st June 2020 to 31st August 2020.

02. A summary of estimates, prepared in the manner as to how provisions for each Ministry and Spending agency are allocated for the next three months has been attached as Annexure 01 herewith. The Department of National Budget will take actions to send you the detailed estimates which provides allocations under each object code and the programme summary. In addition, limits of Advance Account activities for the same period are provided as Annexure 02 herewith.

03. Due to the decrease of Government revenue in the context of the prevailing pandemic situation and the increase of expenditure as a result of Covid-19 pandemic and the disaster situation caused by climate changes, Fiscal Space has shrunk even further. In addition, as the borrowings have also been confined within the statutory limits, the need to manage public expenditure in the future is felt greater than ever. Utmost attention of all the Heads of Institutions and officers who approve expenditure and make payments is drawn in this regard.

04. Accordingly, expenditure from June to August 2020 shall be managed within allocated limits of provisions.

As such, expenditure shall only be incurred for already commenced programmes, projects and subjects which are of highest priority and need to be continued further. Therefore, commitments shall not be made related to the expenditure on new staffing, supply and services and also new activities projects, during the period referred.

Provisions have not been allocated under the "Supplementary Support Services and Contingent Liabilities Project" in these estimates. Therefore, it is thoroughly emphasized that if provisions are not available relating to and essential expense, spending agencies shall make necessary arrangements to manage such expenditure requirement within the already allocated provisions.

05. During the said period, the relevant authority for payment vouchers and other documents shall be mentioned as "the authority under Paragraph (3) of Article 150 of the Constitution".

06. Department of Treasury Operations will release the required imprest for the next three (03) months within these estimated limits and Department of State Accounts will prepare limits of expenditure through CIGAS programme incorporating these estimates and expenditure, incurred so far by you within this year.

Priority shall be given to settle bills, submitted for already completed activities and all the Heads of Institutions shall be responsible for the postponement of construction of new buildings for government institutions, making provisions to ensure strict control of recurrent expenditure and deferment of less priority expenses as per the Cabinet Decision No. 20/Misc (028) and dated 20th May 2020.

07. Please note that other instructions, provided by the National Budget Circular 09/2019 dated 31st December 2019 on maintenance of accounts until an Appropriation Act for 2020 is approved, will remain unchanged.
